

## Learning Academy Preschool's Extended Hours Program

Parents can enroll their child in the extended hours program for either 1 hour (until 2:45) or 2 hours (until 3:45). The cost is \$6.50/hour, per child. You can pick one day a week or every day your child attends LAP. We require 24 hours advance notice to ensure there is enough staff to cover the number of children staying after on any given day. To enroll for Extended Hours on a monthly basis (so that your

child's spot is secure), pick up an enrollment form in the front office.

The first hour does include a State-mandated "rest" period and snack time before the fun and learning begins. So, if your child can stay for the second hour, more songs, games, playtime and learning activities are available. The afternoon includes 3 or 4 activities geared toward brain development. Teachers

do many varied activities with the kids that sharpen both their critical thinking and problem solving skills. The children have so much fun, they don't realize they are learning!

**SNACK TIME!**

**EXTENDED HOURS RULES:**

Parents need to send a nutritious snack for their child to consume during the extended hours time period. (Water will be provided by LAP. Please provide a water bottle.)

Naps (or a “rest”) are required as stated in Minimum Standards 746.2901. We “must provide a supervised sleep or rest period” for children in care 5 consecutive hours and more. This occurs during the regular hours’ pick-up time, 1:40-2:05 pm. To keep this easy we will provide a sanitized waterproof nap mat as required in standard 746.4503.

Late pick up fees will be imposed at 2:56 or 3:56 pm on the WUMC foyer clock.
