

October Fun!!!!!!!!!!!!!! And reminders.....

No school Thursday, September 27!! (We are out a couple Thursdays to balance the Monday Holidays) but this one is for training...

We have no school the **first 2 Mondays of October**. Unfortunate how this fell because the 1st is a training day for teachers who are actually attending that training on a cruise ship! Now you might think this is the reason the teaching staff here has such longevity, but your children are the real reason. The cruise every third year is just a BIG second. ☺ October 8th is a Wylie ISD determined closure.

Individual and class pictures will take place on **October 9 and 10**. Our original calendar said it was on the 2nd and 3rd. Please dress your child in their picture clothes and send play clothes to change into after photos are finished. Our pre-k classes are last to be photographed so may remain in their photo clothes all day. They will not play outside in their "good clothes". Background for individual pictures will be brown tones.

Pumpkin Patch field trips on October 17 and 18 will include parents as will the picnic time. We offer this outing as a way to see your child in the school setting with friends as well as to meet the other parents. The field trip plus lunch will last about an hour. **Please send your child's regular lunch to school**. In the event you are delayed (road closings) lunch needs to begin on time as this is a very scheduled day allowing all the preschoolers time at the pumpkin patch. If you share a picnic the regular lunch may go home with you. Details will come home next week. The fieldtrip costs \$3 to cover science table materials and a mini pumpkin for each child with a small donation going toward the Children's Ministry Department of Wylie United.

Firefighters and their big truck will come visit us on October 25 and 29. Watch for a note about blessing our local heroes.

October 30 and 31 children will be allowed to wear their costumes to school. A change of clothing will be required.

LAP t-shirts and more book orders are due in about October 10.

Three year olds in rooms 104, 106, and 108 must be toilet trained by the end of October. We are here to support you and cheer them on!
